

**The 2nd Ramathibodi Lung Cancer consortium:
The Crucial of Multidisciplinary Approach for Lung cancer
Bangkok Marriott Hotel the Surawongse, Bangkok, Thailand**

Thursday, September 3, 2020	
08.30 - 08.40	Welcome and opening remarks: Associate Professor Ekaphop Sirachainan (Head of Ramathibodi Comprehensive Cancer Center) (Moderator: Assistant Professor Thitiya Dejthevaporn)
08.40 - 10.10	Diagnostic imaging for lung cancer (Moderator: Assistant Professor Apakorn Kositwattanarek) 8.40-9.10: Pearl and pitfall in lung cancer diagnosis and staging Speaker: Dr. Chayanin Nitiwarangkul 9.10-9.40: A guided tour to PET in lung cancer: Bench to clinical practice Speaker: Assistant Professor Wichana Chamroonrat 9.40-10.10: Imaging of targeted and immunotherapy in lung cancer Speaker: Dr. Warawut Sukkasem
10.10 - 10.40	Break
10.40 - 11.50	Modalities in tissue diagnosis and treatment in early stage lung cancer (Moderator: Dr. Dararat Eksombatchai) 10.40-11.15: Diagnostic bronchoscope from everyday practice to next decade Speaker: Dr. Viratch Tangsujaritvijit 11.15-11.50: Surgical management for lung cancer Speaker: Associate Professor Montien Ngodngamthaweesuk
11.50 - 12.50	Lunch Symposium (50 min) Topic: Evolving the treatment practice in stage III and IV NSCLC: Improving in OS benefits Moderator: Prof. Vorachai Ratanatharathorn Speaker: Prof. Alex Adjei
13.00 - 14.40	Molecular pathology and treatment in early stage & locally advanced lung cancer (Moderator: Dr. Rawee Ruangchanasetr) 13.00-13.30: Molecular diagnosis in lung cancer: Where are we? Speaker: Assistant Professor Pimpin Incharoen 13.30-14.00: Combining radiotherapy and immunotherapy for lung cancer: current and future Speaker: Dr. Keeratikarn Boonyawan 14.00-14.40: Promising adjuvant treatment for early stage lung cancer Speaker: Professor Julian Molina
14.40 - 15.10	Break
15.10 - 16.30	Multidisciplinary treatment, small cell lung cancer, and mesothelioma (Moderator: Associate Professor Thanyanan Reungwetwattana) 15.10-15.50: The multidisciplinary approach: RLC best practice model Panelists: Associate Professor Thitiporn Suwatanapongched, Dr. Touch Ativitavas, Associate Professor Putipun Puataweepong, Associate Professor Montien Ngodngamthaweesuk, Assistant Professor Wichana Chamroonrat, Dr. Dararat Eksombatchai 15.50-16.30: Update in Small Cell Lung Cancer and Mesothelioma Treatment Speaker: Prof. Alex Adjei
16.30 - 17.30	Dinner Symposium Supported by Pharma (50 min) Topic: What's new in ALK inhibitor therapy for advanced NSCLC Moderator: Assoc.Prof. Ravat Panvichian Speaker: Prof. Julian Molina

The 6th Ramathibodi-Mayo Clinic Joint Conference: Best Practice in Oncology 2020

Bangkok Marriott Hotel the Surawongse, Bangkok, Thailand

Friday, September 4, 2020	
08.00 - 08.30	Registration
08.30 - 08.45	Welcome and opening remarks (Moderator: Associate Professor Ekaphop Sirachainan) Professor Piyamitr Sritara (Dean of Faculty of Ramathibodi Hospital) Professor Alex Adjei and Professor Julian Molina (Mayo Clinic)
08.45 - 10.40	Plenary Session Marking 10th Anniversary of Mayo Rama (Part I) “Genomics and Immunotherapy and the Future of Cancer Care” (Moderator: Associate Professor Thanyanan Reungwetwattana) 08.45 - 09.25: Genomics, Molecular Pathology and Precision Medicine in Cancer - Associate Professor Benjamin Kipp 09.25 - 10.00: Precision Medicine in Thailand - Professor Vorachai Ratanatharathorn 10.00 - 10.40: Immunotherapy : Past, Present and Future - Professor Alex Adjei
10.40 - 11.10	BREAK
11.10 - 12.00	Plenary Session Marking 10th Anniversary of Mayo Rama (Part II) (Moderator: Assistant Professor Nuttapon Ngamphaiboon) 11.10-11.30: The Practice of Immunotherapy in Thailand - Dr. Touch Ativitavas 11.30-12.00: Round Table Discussion • How to improve precision medicine and immunotherapy in Thailand • Opportunities for collaboration between Mayo Clinic and Rama Speakers: Prof. Vorachai Ratanatharathorn, Assoc Prof. Ekaphop Sirachainan, Prof. Alex Adjei, Prof. Julian Molina
12.00 - 13.00	Lunch Symposium supported by Pharma (50 min) Topic: Optimal sequence to maximize survival benefit for mNSCLC patients Moderator: Associate Prof. Thanyanan Reungwetwattana Speaker: Professor Julian Molina
13.10 - 14.10	State of the art for endometrial cancer management Moderator: Assistant Professor Chuenkamon Charakorn Speaker: Assistant Professor Gretchen Glaser
14.10 - 14.30	Break
14.30 - 15.25	Precision treatment in advanced ovarian cancer Moderator: Associate Professor Arb-aroon Lertkhachonsuk Speaker: Associate Professor Sarawut John Weroha
15.25 - 16.15	Symposium supported by Pharma (50 min) Topic: Cracking the code of personalize healthcare: Comprehensive genomic profiling and tumor-agnostic application Moderator: Dr. Touch Ativitavas Speaker: Associate Professor Benjamin Kipp
16.15 - 17.00	From current to the promising treatment for thymic tumors Moderator: Dr. Touch Ativitavas Speaker: Julian Molina

The 6th Ramathibodi-Mayo Clinic Joint Conference: Best Practice in Oncology 2020

Bangkok Marriott Hotel the Surawongse, Bangkok, Thailand

Saturday , September 5, 2020	
08.15 - 09.10	<p>Tailoring adjuvant therapies based on neoadjuvant response in breast cancer Moderator: Assistant Professor Thitiya Dejthavaporn Speaker: Professor Minetta Liu</p>
09.10 - 09.35	<p>BREAK</p>
09.35 - 10.30	<p>The role of metastatic tumor profiling and targeted therapies in breast cancer Moderator: Associate Professor Ravat Panvichian Speaker: Professor Minetta Liu</p>
10.30 - 11.20	<p>Role of immunotherapy in head and neck cancer and how to select the patients Moderator: Assistant Professor Nuttapong Ngamphaiboon Speaker: Dr. Panayiotis S. (Panos) Savvides</p>
11.20 - 12.20	<p>Lunch Symposium supported by Pharma (50 min) Topic: Treatment approaches to metastatic hormone receptor positive, HER2-negative breast cancer Moderator: Assistant Professor Thitiya Dejthavaporn Speaker Professor Minetta Liu</p>
12.30 - 13.30	<p>Perspective on Locally Advanced Pancreatic Cancer Moderator: Associate Professor Ekaphop Sirachainan Speaker: Professor Wen Wee Ma</p>
13.30 - 13.55	<p>BREAK</p>
13.55 - 14.40	<p>Adjuvant chemotherapy in stage II and III colon cancer Moderator: Associate Professor Ekaphop Sirachainan Speaker: Associate Professor Mitesh Borad</p>
14.40 - 15.30	<p>Symposium supported by Pharma (50 min) Topic: Understanding the full potential of IO approaches in HCC and CRC Moderator: Dr. Phichai Chansriwong Speaker: Professor Wen Wee MA</p>
15.30 - 16.20	<p>Targeted and immunotherapy in advanced HCC Moderator: Dr. Phichai Chansriwong Speaker: Associate Professor Mitesh Borad</p>
16.20 - 16.30	<p>Closing remark Mayo Clinic: Prof. Alex Adjei and Prof. Julian Molina Ramathibodi Hospital: Assistant Prof. Thitiya Dejthavaporn</p>
