## PART 1

### LEARNING WITH IMAGES AND DIGITAL PHOTOGRAPHY

1 An Atlas to Enhance Patient Care, Learning, and Teaching . . . . .	2
--	---

## PART 2

### THE ESSENCE OF PEDIATRICS

2 Doctor—Patient Relationship . . . . .	6
3 Patient- and Family-Centered Care . . . . .	8
4 The Birth of a Child . . . . .	12
5 Pediatric Palliative Care . . . . .	20
6 Social Justice . . . . .	31
7 Global Health . . . . .	42

## PART 3

### PHYSICAL AND SEXUAL ABUSE

8 Child Physical Abuse . . . . .	66
9 Child Sexual Abuse . . . . .	72

## PART 4

### OPHTHALMOLOGY

10 Hordeolum and Chalazion . . . . .	78
11 Corneal Foreign Body and Corneal Abrasion . . . . .	82
12 Conjunctivitis . . . . .	85
13 Uveitis and Iritis . . . . .	89
14 Neonatal Nasolacrimal Duct Obstruction . . . . .	92
15 Strabismus and Pseudostrabismus . . . . .	98
16 Retinoblastoma and the Differential Diagnosis of Leukocoria . . . . .	104
17 Preseptal (Periorbital) Cellulitis . . . . .	115
18 Orbital Cellulitis . . . . .	119
19 Eye Trauma—Hyphema . . . . .	123

## PART 5

### EAR, NOSE, AND THROAT

#### Section 1: Ear

20 Preauricular Tags . . . . .	128
21 Otitis Externa . . . . .	131
22 Otitis Media—Acute Otitis and Otitis Media with Effusion . . . . .	136
23 Mastoiditis . . . . .	145
24 Ear—Foreign Body . . . . .	150
25 Nasal Polyps . . . . .	153

#### Section 2: Nose and Sinus

26 Sinusitis . . . . .	156
27 Complications of Sinusitis . . . . .	162
28 Scarlet Fever and Strawberry Tongue . . . . .	171

#### Section 3: Mouth and Throat

29 Upper Respiratory Infections Including Pharyngitis . . . . .	175
30 Acute Upper Airway Obstruction . . . . .	183
31 Chronic Upper Airway Obstruction—Laryngomalacia . . . . .	192
32 Thyroglossal Duct Cyst and Other Head and Neck Masses . . . . .	195

#### Section 4: Neck

33 Lymphadenopathy . . . . .	199
34 Congenital Anomalies of the Head and Neck . . . . .	204

## PART 6

### ORAL HEALTH

35 Geographic Tongue . . . . .	222
36 Early Childhood Caries . . . . .	225
37 Dental Complications: Hard Tissue (Teeth) . . . . .	229
38 Dental Complications—Soft Tissue (Gingiva and Mucosa) . . . . .	233
39 Herpes Simplex Virus Gingivostomatitis . . . . .	239
40 Aphthous Ulcer . . . . .	243

## PART 7

### THE HEART AND CIRCULATION

41 Clubbing and Cyanosis . . . . .	250
42 Acyanotic Congenital Heart Disease . . . . .	254
43 Cyanotic Congenital Heart Disease . . . . .	260
44 Bacterial Endocarditis . . . . .	264
45 Acute Rheumatic Fever . . . . .	269
46 Common Dysrhythmias . . . . .	272
47 Syndromes Associated with Heart Disease . . . . .	280

## PART 8

### THE LUNGS

48 Bronchiolitis . . . . .	292
49 Asthma and Pulmonary Function Testing . . . . .	295
50 Community-Acquired Pneumonia . . . . .	307
51 Cystic Fibrosis . . . . .	318
52 Congenital Pulmonary Malformations . . . . .	324

## PART 9

### THE GASTROINTESTINAL TRACT AND NUTRITIONAL DISORDERS

53 Failure to Thrive . . . . .	342
54 Esophageal Disorders: Gastroesophageal Reflux Disease and Eosinophilic Esophagitis . . . . .	349
55 Peptic Ulcer Disease . . . . .	353

<b>56</b>	Foreign Body Ingestion . . . . .	359
<b>57</b>	Pyloric Stenosis . . . . .	366
<b>58</b>	Intussusception . . . . .	370
<b>59</b>	Inflammatory Bowel Disease . . . . .	375
<b>60</b>	Celiac Disease . . . . .	382
<b>61</b>	Neonatal Cholestasis . . . . .	387
<b>62</b>	Anal and Rectal Disorders . . . . .	392
<b>63</b>	Nutritional Disorders in Children . . . . .	402

## PART 10

### THE GENITORURINARY SYSTEM AND KIDNEYS

<b>64</b>	Urinary Sediment/Urinary Tract Infections . . . . .	410
<b>65</b>	Hydronephrosis and Ureteropelvic Junction Obstruction . . . . .	416
<b>66</b>	Polycystic Kidneys . . . . .	425
<b>67</b>	Nephrotic Syndrome . . . . .	431
<b>68</b>	Nephritic Syndromes . . . . .	435
<b>69</b>	Hemolytic Uremic Syndrome . . . . .	438
<b>70</b>	Pediatric Kidney Stones . . . . .	444
<b>71</b>	Renovascular Hypertension . . . . .	449

## PART 11

### NEWBORN

<b>72</b>	Neonatal Conjunctivitis . . . . .	454
<b>73</b>	Abdominal Wall Defects . . . . .	458

## PART 12

### ADOLESCENT PROBLEMS

<b>74</b>	Overview of Vaginitis . . . . .	464
<b>75</b>	Mucosal Ulcerative Disorders in Female Adolescents . . . . .	468
<b>76</b>	Bacterial Vaginosis . . . . .	476
<b>77</b>	Candida Vulvovaginitis . . . . .	480
<b>78</b>	Trichomonas Vaginitis . . . . .	485
<b>79</b>	Chlamydia Cervicitis . . . . .	489
<b>80</b>	Breast Masses in Adolescents . . . . .	494
<b>81</b>	Complications of Tattoos and Piercings . . . . .	499

## PART 13

### MUSCULOSKELETAL PROBLEMS

<b>82</b>	Nursemaid's Elbow . . . . .	508
<b>83</b>	Clavicular Fracture . . . . .	512
<b>84</b>	Forearm Fractures . . . . .	516
<b>85</b>	Metatarsal Fracture . . . . .	522
<b>86</b>	Club Feet . . . . .	525
<b>87</b>	Developmental Dysplasia of the Hip . . . . .	530
<b>88</b>	Legg-Calvé-Perthes . . . . .	535

<b>89</b>	Slipped Capital Femoral Epiphysis (SCFE) . . . . .	539
<b>90</b>	Osgood-Schlatter . . . . .	543
<b>91</b>	Scoliosis . . . . .	547

## PART 14

### DERMATOLOGY

#### Section 1: Early Childhood Dermatology

<b>92</b>	Normal Skin Changes of Infancy . . . . .	556
<b>93</b>	Childhood Hemangiomas and Vascular Malformations . . . . .	561
<b>94</b>	Pustular Diseases of Early Childhood . . . . .	567
<b>95</b>	Diaper Rash and Perianal Dermatitis . . . . .	571

#### Section 2: Acneiform Disorders

<b>96</b>	Acne Vulgaris . . . . .	576
<b>97</b>	Rosacea . . . . .	584
<b>98</b>	Hidradenitis Suppurativa . . . . .	589

#### Section 3: Bacterial

<b>99</b>	Impetigo . . . . .	593
<b>100</b>	Folliculitis . . . . .	598
<b>101</b>	Pitted Keratolysis . . . . .	603
<b>102</b>	Erythrasma . . . . .	606
<b>103</b>	Cellulitis . . . . .	609
<b>104</b>	Abscess . . . . .	613
<b>105</b>	Staphylococcal Scalded Skin Syndrome . . . . .	616
<b>106</b>	Necrotizing Fasciitis . . . . .	619
<b>107</b>	Ecthyma Gangrenosum . . . . .	624

#### Section 4: Viral

<b>108</b>	Varicella . . . . .	626
<b>109</b>	Herpes Zoster . . . . .	631
<b>110</b>	Zoster Ophthalmicus . . . . .	635
<b>111</b>	Measles . . . . .	639
<b>112</b>	Fifth Disease . . . . .	644
<b>113</b>	Hand Foot Mouth Syndrome . . . . .	648
<b>114</b>	Herpes Simplex . . . . .	653
<b>115</b>	Molluscum Contagiosum . . . . .	661
<b>116</b>	Common Warts . . . . .	666
<b>117</b>	Flat Warts . . . . .	672
<b>118</b>	Genital Warts . . . . .	676
<b>119</b>	Plantar Warts . . . . .	682

#### Section 5: Fungal

<b>120</b>	Fungal Overview . . . . .	687
<b>121</b>	Candidiasis . . . . .	693
<b>122</b>	Tinea Capitis . . . . .	697
<b>123</b>	Tinea Corporis . . . . .	703
<b>124</b>	Tinea Cruris . . . . .	708
<b>125</b>	Tinea Pedis . . . . .	712
<b>126</b>	Tinea Versicolor . . . . .	717

#### Section 6: Infestations

<b>127</b>	Lice . . . . .	721
------------	----------------	-----

128	Scabies	726
129	Cutaneous Larva Migrans	734
<b>Section 7: Dermatitis/Allergic</b>		
130	Atopic Dermatitis	737
131	Contact Dermatitis	745
132	Eczema Herpeticum	752
133	Nummular Eczema	756
134	Urticaria and Angioedema	761
<b>Section 8: Papulosquamous Conditions</b>		
135	Seborrheic Dermatitis	767
136	Psoriasis	773
137	Pityriasis Rosea	786
138	Lichen Planus	791
139	Lichen Nitidus and Lichen Striatus	797
<b>Section 9: Benign Neoplasms</b>		
140	Juvenile Xanthogranuloma	803
141	Keloids	807
142	Pyogenic Granuloma	812
<b>Section 10: Nevi and Melanoma</b>		
143	Benign Nevi	817
144	Congenital Nevi	824
145	Epidermal Nevi and Nevus Sebaceous	831
146	Dysplastic Nevus	837
147	Pediatric Melanoma	842
<b>Section 11: Infiltrative Immunologic</b>		
148	Granuloma Annulare	851
149	Pyoderma Gangrenosum	856
150	Pediatric Sarcoidosis	861
<b>Section 12: Hypersensitivity Syndromes and Drug Reactions</b>		
151	Erythema Multiforme, Stevens-Johnson Syndrome, and Toxic Epidermal Necrolysis	867
152	Erythema Nodosum	873
153	Vasculitis	877
154	Cutaneous Drug Reactions	884
<b>Section 13: Bullous Disease</b>		
155	Chronic Bullous Disease of Childhood	892
156	Pemphigus	898
157	Other Bullous Diseases	904
<b>Section 14: Hair and Nail Conditions</b>		
158	Alopecia Areata	910
159	Traction Alopecia and Trichotillomania	915
160	Normal Nail Variants	919
161	Pigmented Nail Disorders	925
162	Ingrown Toenail	930
163	Onychomycosis	934
164	Paronychia	940
165	Psoriatic Nails	944
166	Subungual Hematoma	948

**Section 15: Pigmentary Conditions**

167	Vitiligo and Hypopigmentation	951
168	Disorders of Hyperpigmentation	958

**Section 16: Genetic Skin Disorders**

169	Genodermatoses	968
170	Vascular and Lymphatic Malformations	976
171	Ichthyosis	982

**PART 15****RHEUMATOLOGY**

172	Juvenile Idiopathic Arthritis	990
173	Lupus—Systemic and Cutaneous	995
174	Juvenile Dermatomyositis	1003
175	Henoch Schonlein Purpura	1012
176	Periodic Fever Syndromes	1018
177	Kawasaki Disease	1023
178	Scleroderma and Morphea	1029

**PART 16****INFECTIOUS DISEASES**

179	Gastrointestinal Infections (Including Diarrhea)	1038
180	Gonococcal Infections	1046
181	Syphilis	1050
182	Pediatric Human Immunodeficiency Virus (HIV) Infection	1057
183	Lyme Disease	1063
184	Epstein Barr Virus Infections (Infectious Mononucleosis)	1068
185	Toxic Shock Syndromes	1074
186	Pediatric Tuberculosis	1080
187	Congenital and Perinatal Infections	1091
188	Zoonoses	1099

**PART 17****ENDOCRINOLOGY**

189	Diabetes Overview	1108
190	Acanthosis Nigricans	1112
191	Hypothyroidism	1116
192	Hyperthyroidism	1123
193	Hyperlipidemia and Xanthomas	1129
194	Obesity	1136
195	Cushing Syndrome	1143
196	Addison's Disease	1148
197	Congenital Adrenal Hyperplasia	1151
198	Rickets	1155
199	Delayed Puberty	1161
200	Precocious Puberty	1166

**PART 18**

**NEUROLOGY**

**201** Headache . . . . . 1172  
**202** Bell's Palsy . . . . . 1176  
**203** Subdural Hematoma . . . . . 1179  
**204** Cerebral Vascular Accident. . . . . 1182  
**205** Tuberous Sclerosis . . . . . 1186  
**206** Neurofibromatosis . . . . . 1192  
**207** Sturge-Weber Syndrome. . . . . 1197  
**208** Duchenne Muscular Dystrophy . . . . . 1202

**PART 19**

**HEMATOLOGY-ONCOLOGY**

**209** Iron Deficiency Anemia. . . . . 1210  
**210** Immune Thrombocytopenia Purpura. . . . . 1214  
**211** Sickle Cell Disease . . . . . 1219  
**212** Neuroblastoma . . . . . 1225  
**213** Wilms Tumor . . . . . 1229  
**214** Langerhans Cell Histiocytosis. . . . . 1233

**PART 20**

**ALLERGY AND IMMUNOLOGY**

**215** Allergic rhinitis. . . . . 1238  
**216** DiGeorge syndrome . . . . . 1243  
**217** Primary Ciliary Dyskinesia. . . . . 1249

**218** B-cell Immunodeficiencies . . . . . 1253  
**219** B and T Cell Immunodeficiencies—Severe Combined Immunodeficiency (SCID) and Other Well Defined Primary Immunodeficiencies. . . . . 1259  
**220** Chronic Granulomatous Disease . . . . . 1267

**PART 21**

**GENETIC DISORDERS**

**221** Down Syndrome. . . . . 1274  
**222** Turner Syndrome . . . . . 1279  
**223** Marfan syndrome . . . . . 1283  
**224** Ehler Danlos syndrome . . . . . 1289  
**225** Osteogenesis Imperfecta . . . . . 1293  
**226** Noonan syndrome. . . . . 1298  
**227** PHACE Syndrome . . . . . 1302  
**228** Incontinentia Pigmenti. . . . . 1308

**PART 22**

**SUBSTANCE ABUSE**

**229** Substance Abuse Disorder . . . . . 1314

**APPENDIX**

**A** Interpreting Evidence-Based Medicine (EBM). . . . . 1320  
**B** Topical and Intralesional Corticosteroids . . . . . 1323  
 Index . . . . . 1327
