

	2	Spine	Spott	Arthroplasty	Trauma	Tumor	Ped	Hand
high tibial osteotomy		0.74057 0.74057			0.74057			
high tibial osteotomy with ACLR		0.54057			0.54057			
arthroscopy knee with PCLR		0.74057			0.74057			
arthroscopy knee with Revision ACLR		0.74057			0.74057			
amputation								
arthroscope ankle								
arthroscopy knee with ACLR								
CR with cannulated screw with k-wire at humerus								
removed of external fixator with ORIF P+S with IBG								
arthroplasty; hemiarthroplasty AM								
Bipolar hemiarthroplasty								
arthroscopy shoulder								
Frozen shoulder manipulation								
injection joint	2							
suture capsule knee	1							
aryhroscopy with repair rotator cuff		1	1					
knee arthrotomy								
TA repair		2						
arthroscopy, knee with debridement	1	1	1					
revision TKA								
Septic TKA debride ,change PE								
TKA				9	5	3		
THR				1				
arthroplasty; total shoulder								
Remove prosthesis								
arthroscopy, shoulder Bankart repair	1	1						
arthroscopy, shoulder release		1						
arthroscopy, shoulder acromioplasty with AC repair								
arthrogram hip								

major operation

ORIF with cannulated screw coracoid									
scapulothoracic endoscope									
arthroscopy, shoulder subacromion decompression									
arthroscopy, shoulder debridement									
arthroscopic repair meniseus									
Arthotomy with DB									
arthroscopy wrist									
arthroscopy debridement ankle									
AC repair with fixation									
wide excision mass									
extended curettage with PMMA with bone graft									
manipulate shoulder									
bone biopsy									
division jt. Capsule hip with cast									
chang hip spica									
closed reduction with hip spica									
closed reduction									
closed reduction with tibial nail									
closed reduction with cast									
closed reduction with multiple screw femur									
closed reduction with ext. fixator									
closed reduction with K-wire fixation									
ORIF with SI screw fixation									
osteotomy with k-wire									
corrective osteotomy									
corrective osteotomy malunion fracture DER									
wedge osteotomy with IBG with remove UFN									
wedge osteotomy tibia and fibula									
Salter' osteotomy with hip spica cast
